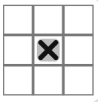
What is Conway's Game of Life?

Underpopulation
A live cell with fewer than 2 neighbors dies.



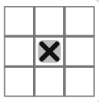
Survival
A live cell with 2 or 3 neighbors survives.

Overpopulation
A live cell with more than 3 neighbors dies.

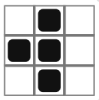
Birth
A dead cell with exactly 3 neighbors becomes alive.

O que é o Jogo da Vida?

Solidão
Uma célula viva com menos de 2 vizinhos morre.



Sobrevivência
Uma célula viva com 2 ou 3 vizinhos sobrevive.



Superpopulação
Uma célula viva com mais de 3 vizinhos morre.

Nascimento
Uma célula morta com exatamente 3 vizinhos nasce.
